List of Local ISPs

Most of these services are notorious for slow connection speeds and busy dial-up connections. Students using some of these ISPs may experience additional problems.

ISP Name	Service Area	Probable email address
Savannah Online	Chatham, Bryan, and Effingham counties and Hinesville	Username@savannahga.net
Coastal Communications (Coastal Long Distance Service)	Hinesville, Richmond Hill, and Savannah	Username@clds.net
Lighting Speed	Hinesville	

Cable Modems—students with fast connection speeds

Comcast	Provides cable modems to Chatham County	Username@home.com
